CLOSED HI HAT

A musical staff showing a rhythmic pattern for a closed hi hat. The pattern consists of a steady eighth-note pulse with an 'x' above each note, indicating a closed hi hat sound. The notes are on a single pitch line.

HALF OPEN HI HAT

A musical staff showing a rhythmic pattern for a half-open hi hat. The pattern starts with eighth notes and 'x' marks, then transitions to a more complex pattern with some notes having a 'u' above them, indicating a half-open hi hat sound.

A musical staff showing a rhythmic pattern for a half-open hi hat. The pattern consists of eighth notes with 'x' marks, indicating a half-open hi hat sound.

A musical staff showing a rhythmic pattern for a half-open hi hat. The pattern consists of eighth notes with 'x' marks, indicating a half-open hi hat sound.

A musical staff showing a rhythmic pattern for a half-open hi hat. The pattern consists of eighth notes with 'x' marks, indicating a half-open hi hat sound.

A musical staff showing a rhythmic pattern for a half-open hi hat. The pattern consists of eighth notes with 'x' marks, indicating a half-open hi hat sound.

A musical staff showing a rhythmic pattern for a half-open hi hat. The pattern consists of eighth notes with 'x' marks, indicating a half-open hi hat sound.

A musical staff showing a rhythmic pattern for a half-open hi hat. The pattern consists of eighth notes with 'x' marks, indicating a half-open hi hat sound.
